

LIFEGUARD - JOB DESCRIPTION

RESPONSIBLE TO: PROGRAM DIRECTOR

RESPONSIBILITIES:

1. Must have Lifeguard certification from a national organization (i.e.-Red Cross, YMCA)
2. Responsible for testing pool chemical balance & recording results. Report problems or increase chemical needs to the Pool Pesticide Applicator.
3. Maintain daily records for health department and any medical or accident reports.
4. Explain pool rules to campers and staff.
5. Conduct the swimming test for all campers and staff.
6. Supervise pool activities, following lifeguard procedures.
7. Coordinate instructional swimming classes and help instruct.
8. Be safety-conscious at all times, especially while on duty. Strictly enforce safety guidelines.
9. Keep pool supply room clean and organized.
10. Keep filter room closed. Keep pool gate locked when pool is closed.
11. Keep rescue equipment easily accessible & in working order.
12. Maintain physical & mental awareness by swimming laps regularly, practicing techniques, & reviewing emergency procedures & plans.
13. Keep pool clean by skimming, brushing, & vacuuming regularly.
14. Keep pool deck clean & free of obstructions and chairs and tables clean and organized
15. Keep lawn mowed, bushes trimmed, and gardens free of weeds.
16. Report any supply requests to Program Director.
17. Inventory all equipment & supplies at the beginning & end of summer.
18. Assist in other areas when needed.
